Planning Division
Environmental Branch

TO ALL INTERESTED PARTIES:

The U.S. Army Corps of Engineers-Jacksonville District and Brevard County will host a scoping meeting to seek public comment on the development of the Brevard County (Mid-Reach) Shore Protection Report. This meeting will be held at the following time and place:

DATE: September 8, 2005
TIME: 5:30 PM
PLACE: Satellite Beach High School, Auditorium
300 Scorpion Court
Satellite Beach, Florida

This report will focus on 7.6 miles of developed shoreline, referred to as the "Mid-Reach," from the south end of Patrick Air Force Base to just north of Indialantic (please see enclosed map).

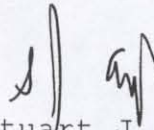

The scoping meeting will feature a presentation by Corps and Brevard County staff on project efforts to date, preliminary alternatives under consideration (i.e. beach nourishment and hard structures), environmental impacts and project schedule. Federal and state natural resource agencies have also been informed of the meeting. An opportunity to ask questions and make comments will be given after the presentation.

In order that we may hear as many comments as possible during the meeting, we have attached a comment sheet for your use. You may wish to use this tool to jot down your questions prior to the meeting and bring it with you.

-2-

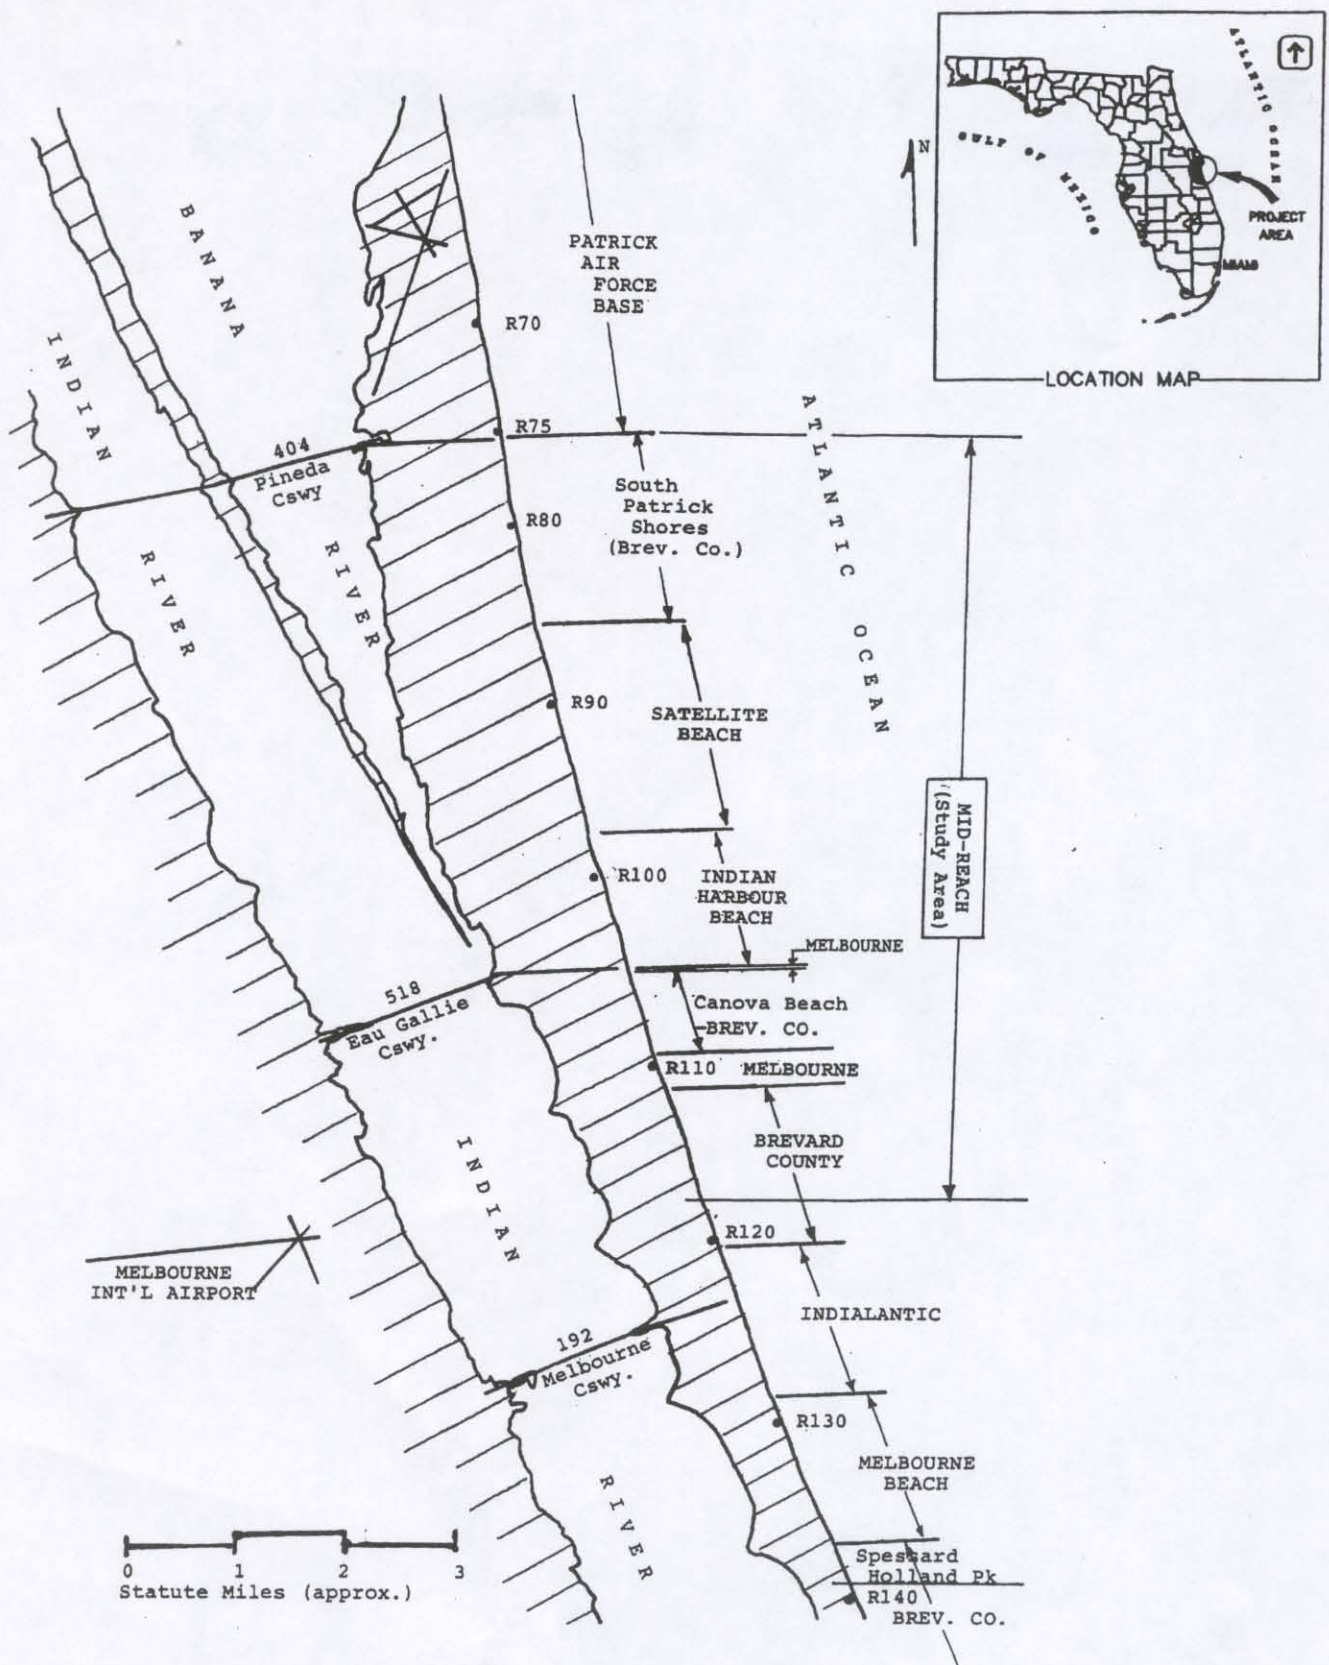

If you would like additional information, please contact Mr. Paul Stodola at phone number (904) 232-3271, or email at Paul.E.Stodola@SAJ02.USACE.ARMY.MIL.

Sincerely,

A handwritten signature in black ink, appearing to read 'Stuart J. Appelbaum', with a long diagonal line extending from the end of the signature.

Stuart J. Appelbaum
Chief, Planning Division
